Past performance is no guarantee of future results. The investment return and principal value of an investment in the Fund will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost.

Mutual fund investing involves risk. Principal loss is possible.

Investors should carefully consider the investment objectives, risks, charges and expenses of the Angel Oak Mutual Funds. This and other important information about each Fund is contained in the Prospectus or Summary Prospectus for each Fund, which can be obtained by calling Shareholder Services or clicking here. The Prospectus or Summary Prospectus should be read carefully before investing.

The Angel Oak Funds are distributed by Quasar Distributors, LLC.
