

2024 Estimated Capital Gains Distributions

As of October 31, 2024

The estimated short-term and long-term capital gains distributions for 2024 are listed below. Please note, these estimates are unaudited estimates based on 10/28/24 book numbers and are subject to vary significantly from the actual distribution amount once all actual activity through 10/31 and all tax adjustments are incorporated into the calculation. There will be no estimates provided for distributions attributable to net investment income.
